Desired Outcomes

1. An open conversation about life at Redeemer before and after Andrew's Sabbatical, and how his period of reflection and discernment of his time away is in parallel with a similar period of reflection and discernment for staff and lay leaders
2. At least three statements of vision for ministry in the next 3-5 years, with a plan on how to take next steps and a timeline for reporting back to the parish
3. Renewal engagement with the mission and ministry of the Redeemer
4. 4 witnesses who participate in the process, prepare a record of the process and directions, and are the 'insistent voice' of this planning process
