

**Church of the Redeemer
Visions of Ministry
Open Space Report**

Topic: **How to do phases 2 and 3 of the Making More Room Project**

Summary of Key Discussion Points:

- Overcome institutional biases:
 - Notion that we can't borrow money
 - The diocese owes us money
 - Problems in the past with capital campaign consultant
- Need to figure out our budgetary requirements
- Need to replenish endowment capital
- Need to be clear about what the vision of the building is

Next Steps:

Given that there is fear surrounding raising \$3,000,000:

- Get empirical data on the capacity of the neighbourhood to support this ministry.
- Need to drill in our database. We don't know the capacity of the membership to be generous.
